HOW DO I MAKE NOTECARDS FOR MY RESEARCH PAPER?

✓ Notecards should be done on the computer program, Noodletools

FOR EVERY NOTECARD:

1. Create a clear **Title** (example-Definition of Classification)

2. Click on the **Source** you are using

3. Copy and paste a **Direct Quotation** from your source

4. Highlight main points and details in **Direct Quotation**

5. **Paraphrase** the direct quotation using **bullets** and your own words

6. Include your questions, concerns, and comments in **My Ideas**

Every Notecard should have a:

1) Title
2) Source
3) Direct quotation (highlight main points) section
4) Paraphrase section
5) My Ideas section
